New Jersey Board of Public Utilities

Empowering the Students of the Environment

100% of Proceeds from Green Market Fundraising

800-877-2100

OVERVIEW OF PROGRAM

Help your local school or group fundraise by purchasing CFL light bulbs that use 75% less energy and last up to 10 times longer than old-fashioned incandescent bulbs. Thanks to the support of New Jersey's Clean Energy Program™ (NJCEP) and the Board of Public Utilities, the participating school or group will receive 50% of all proceeds!

- CFL light bulbs are 75% more energy efficient than incandescent light bulbs!
- ALL of our CFL light bulbs are ENERGY STAR® qualified!
- All spent CFLs can be recycled at any Home Depot throughout New Jersey. Additional recycling facilities can be found at Earth911.org or RecycleABulb.com

All CFLs in this program are produced by MaxLite, Inc. (www.maxlite.com)

Mini Spirals...The Most Popular CFL Light Bulb in the World!

Mini Spiral CFLs are the most utilized CFLs in the world (in particular, the 13W)! Use in ceiling fans, overhead lamps, standing lamps, table lamps, or wall sconces.

13 Watt Mini 

- 60 Watt equivalent
- 10,000 hrs

18 Watt Mini 

- 75 Watt equivalent
- 10,000 hrs

23 Watt Mini 

- 100 Watt equivalent
- 10,000 hrs

Flood Lights...For Modern Indoor Lighting Needs and for Outdoor Security.

Indoor floods (also known as "high hats" or "recessed" lights) are designed for modern recessed lighting applications. Outdoor floods are used for improving safety around the home.

Specialty Lights...3-Ways and Globes!

We have added the 3-Way to our product line! In addition, we added the globe bulb for vanity lighting needs.

3-way 

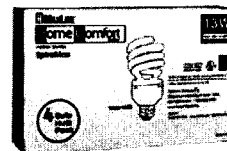

- 60/75/100 Watt equivalent
- 8,000 hrs

14 Watt Globe 

- 60 Watt equivalent
- 8,000 hrs

Donate a 4-Pack of CFLs to a Family in Need

Have you already outfitted your home with CFLs, but still want to help fundraise? Or would you just like to help New Jersey families in need? Buy a 4-pack of 13W CFLs and we will work with our partner, HelpLightNJ (www.helplightnj.com) to ensure that families in need receive your generous donation (50% of the proceeds still go to your group!)

EasyPak™ Mini CFL Recycling Container

The EasyPak™ mini compact fluorescent recycling container can hold up to 18 compact fluorescent lamps. This purchase will cover everything you need: the certified container, shipping to the recycling center, recycling charges, and a certificate of recycling. Each certified container comes with a Life Latch® lid, poly liner, instructions, and a pre-paid FedEx return shipping label.

ORDER FORM & ENERGY USAGE SURVEY

Kindly fill out the survey so that New Jersey's Clean Energy Program™ (NJCEP) and the Board of Public Utilities can better direct their residential energy efficiency programs in the future. You will NEVER receive any mail or phone calls as a result of filling out this form, unless you request it.
