Mr. Hogan Announcements

On Wednesday, November 25th school will end at 12:58 at the end of the synchronous part of the day since it's the day before Thanksgiving.

Nurse Monya LCCS nurses have a lot of extra paperwork. If we were to reopen they would need to have all the documentation of medical care for each student and of immunization records. Required to still send the documentation to the state. It's important to keep taking your child to the doctor to have eye exams, hearing exams and dental check-ups. The flu shot is very encouraged this year. Nurse Monya has free Covid testing information. You are still required to report Covid cases to the school, charged by the state with the tracking of the illness for outbreaks.
